MICHAEL MILLER

PROFESSIONAL SUMMARY

Creative Director & Visual Strategist with 10+ years of experience bridging the gap between cinematic execution and sales conversion. Leverages a deep background in sales psychology to design premium, story-driven brands and highly converting marketing assets. Proven track record of partnering with 8-figure entrepreneurs to direct paid ad campaigns, optimize funnels, and produce content that generates hundreds of thousands of views and measurable revenue growth. Proficient in leveraging AI to optimize production workflows and utilizing web design and development to build comprehensive, conversion-focused digital footprints.

EXPERIENCE

Kathleen Cameron, Los Angeles

Director / Videographer / Designer

JAN 2025 – JAN 2026

Directed and produced lifestyle-driven video content that consistently generated tens of thousands of views, propelling top performing assets past the 500,000 view mark.

Collaborated closely with the internal marketing team to plan, direct, and film highly converting paid advertising campaigns, translating creative direction into measurable customer acquisition.

Designed strategic visual assets and video content that successfully funneled new audiences into automated bots and premium coaching programs.

Applied sales psychology to thumbnail design and video pacing to increase click-through rates and audience retention.

Drove direct revenue growth by packaging, positioning, and visually elevating digital products to appeal to buyer psychology.

Mike Miller Media, Duncanville, TX

CEO / Media Specialist

AUG 2017 – PRESENT

Lead end-to-end brand and content strategy, ensuring all creative outputs—including web design and development—are tied directly to client ROI and customer acquisition goals.

Founded and operate Rise and Render, a dedicated podcast studio offering comprehensive end-to-end production that drives strong early social media engagement and long-term brand growth.

Integrate AI technologies into production pipelines to maximize efficiency and streamline client workflows without compromising core creative quality.

Utilize an extensive background in sales and buyer psychology to craft visual identity systems and video campaigns that convert viewers into buyers.

Act as a strategic growth partner to founders and executives, aligning high-end video production and paid ad creative with broader revenue objectives.

King's Park International Church, Durham, NC

Media Specialist

MARCH 2021 – JAN 2025

Designed graphics for websites, social media, email marketing, and digital campaigns.

Produced and edited testimonials, interviews, stories, and video courses.

Planned and executed video shoots including lighting, sound, and camera operation.

Managed website and app updates, maintenance, and performance optimization.

Led and managed a media team to deliver projects on time and at a high standard.
